EQUITY LOAN - PARTIAL REDEMPTION

Use this guidance if you wish to repay part of your Equity Loan.

What do you need to do?

First Steps

1. Agree the current market value* of your property to establish the Equity Share percentage you are repaying.

- Please provide an estate agent's valuation of your property which includes the value of 3 comparable properties to support what you believe the current market value to be.

The estate agent must be independent and must not be related to you.

**The value should be the price a willing buyer will pay to a willing seller on the open market with vacant possession on the basis that you have fully and properly maintained, repaired and decorated the property.*

2. Complete Form C attached and send it to us with the estate agents valuation above.

The estate agent's letter must be on their letter headed paper stating a single valuation amount only (i.e. not a range of values).

3. Agreeing your valuation

- If we agree with your valuation, we will send a redemption figure to you and your Solicitor which will include:
 - A legal transaction fee of £250 including VAT; and
 - Any outstanding interest (if applicable) due on your Equity Loan
- If the valuation is disputed and we cannot reach agreement on the current market value of your property, you are entitled to follow the procedure set out in your Equity Loan document. This may include:
 - Obtaining, at your expense, a Royal Institute of Chartered Surveyors (RICS) valuation of your property to establish an independent market value which is binding on both parties.

4. Partial Redemption of your loan

- We will liaise with your Solicitor after this point with details of how to make this payment.
- Additional Borrowing – if you are making a partial redemption of your Equity Loan and funding this by taking out additional borrowing with your mortgage lender, please see the fact sheet on *Equity Loan Additional Borrowing* before you start this process.

Your Equity Loan Percentage will be re-calculated to reflect your partial redemption payment.

Partial Redemption - example

Your minimum payment should be at least 5% of the **current market value of your property** - each time you wish to partially repay your Equity Loan you must agree the Current Market value of your property with us at your cost.

Please note that we are subject to strict controls under the Money Laundering Regulations 2007 and the Proceeds of Crime Act 2002 and are legally obliged to undertake checks to verify the source of funds to be used for the purchase/sale of your property.
