

# **EQUITY LOAN - REPAYING YOUR SHARED EQUITY LOAN**

Use this guidance if you wish to repay all amounts outstanding on your Equity Loan.

What do you need to do?

## **First Steps**

1. Agree the current market value of your property to establish how much you need to pay.

You will need to instruct a RICS qualified surveyor to carry out a valuation on your home. They will assess the value of your home and provide you with a valuation report. You are free to choose a surveyor of your choice however if you need some assistance in sourcing a suitable surveyor we have provided some options later in this document.

Please note you are not obliged to use them and they are independent from Ascent.

2. Complete Form A attached and send to us with the RICS valuation report mentioned above.

The report must be on their letter headed paper and will be valid for 3 months from the date of the report.

- 3. Agreeing your valuation
- If we agree with your valuation, we will send a redemption figure to you and your Solicitor which will include: A legal transaction fee of £250 including VAT.
- If the valuation is disputed and we cannot reach agreement on the current market value of your property, we are entitled to request further information from the surveyor. For example, if certain comparable properties have not been included or there is an insufficient amount of comparable properties.
- 4. If you are selling your property, ask your Solicitor to complete Form B attached and send to us when a sale is agreed
- The Higher of the Sale price or the agreed market value will be used to repay your Equity Loan.
- 5. Redemption of your Equity Loan
- When your repayment is received, we will either arrange discharge of the charge registered against your property electronically or send a Land Registry Form DS1 to your solicitors as evidence that your Equity Loan has been repaid in full.

#### **IMPORTANT**

There must be sufficient funds available to repay your Equity Loan in full - otherwise if eligible you may wish to consider a partial redemption and complete the relevant Partial Redemption Form C.

## 6. Source of Funds - Additional Documentation Required

Please note that we are subject to strict controls under the Money Laundering Regulations 2007 and the Proceeds of Crime Act 2002 and are legally obliged to undertake checks to verify the source of funds to be used for the purchase/sale of your property.

If you have not appointed Solicitors to act on your behalf, and it is your intention to forward payment directly to us, you will need to confirm the specific source of these funds and provide appropriate documentary evidence in support.

To assist you, we have detailed some examples of the type of source of funds and the documents we require on the following page.

### 7. Identification

We shall require one form of photo identification, such as a valid driving licence or passport which must be in date, along with proof of address such as bank statement or utility bill dated within the last three months. If you do not want to send original documents to us we will accept copies, provided they are certified by a solicitor, doctor, accountant or bank. However, should you send certified copies please provide details of the name and address of the certifier. If you are sending original documentation to us we would strongly recommend that this is sent by registered post.
